## Things You’ll Need:

Clothes for the day (please ensure your child arrives prepared for all weather! Warm mitts, toques, scarves, layers, muddy buddies or rain gear and waterproof boots)

Just like our other programs, we ask all families to pack suitable snacks and lunches for their children attending, as well as a water bottle.

Due to COVID-19, items from home (as well as food sharing) is not allowed.

We’ll be doing an **“All About Me”** project to start us off!

The goal is to create a vision board that shows each child’s family and favourite things!

To keep it COVID safe, we’re asking families to EMAIL us photos of the following:

- Family Members
- Best Friends
- Pets
- Places they like to go
- Favourite Toys
- Favourite Foods
- etc

We’ll print out the photos in the office and then the children can create their boards, name their family and favourites, and decorate to their heart’s content!

**We look forward to seeing you soon!**
