

Dear Families,

We are all looking forward to the start of Spring! We're sure you've already seen flowers start to reach for the sun, stretching out their green leaves, preparing to bloom!

Spring is always such a magical time at 4Pillar – from nature-themed scavenger hunts, to learning about all the creatures coming out of hibernation... there's never a dull moment in this beautiful time of year!

PRESCHOOL IS NOW OPEN!

Spread the word and help us fill our program!

We have space available until the end of June, and are also accepting registrations for September.

Classes run 9 – 1pm, Monday – Thursday.
\$25 per session, billed monthly

February's Friendship Month was AMAZING!

We made a Friendship Fruit Salad, learned about sharing, kindness and respect, and crafted away our afternoons with group projects, yoga for kids and lots of time for connection.

March is our transition to SPRING! As always, come prepared for the weather, pack a healthy & hearty snack and lunch, and don't forget...

To wear **GREEN** on St. Patrick's Day!

Our practicum student, Jade, has shared her most recent assignment on pedagogical narration with the children at our centre. You can find it attached!

What's Happening this month in Preschool:

All About Me Boards: Email us photos of your child's friends, family, favourite places, pets, food & things so we can work together to create a memory board!

Outside Time: We'll be marching around outdoors this spring – please ensure your children are coming with warm clothes, layers & rain gear / Muddy Buddies.

Closures: Preschool is closed for Spring Break (March 22 – April 6th), and will re-open April 7th. Please talk with us ASAP if your child will need Group Care during this time, as space is limited.

We're inviting two practicum students to our preschool & group care programs this month. Please help us in giving a warm welcome to:
